SECTION 1: ABOUT PARA-EQUESTRIAN VIDEO COMPETITIONS

What are video competitions?

Video competitions provide riders of all levels and abilities with the opportunity to experience competition conditions in the comfort of their home stable and on a familiar horse. Riders are judged by dressage judges against other similar riders across Canada and are eligible to place and win great prizes.

Video competitions encourage riders to develop effective riding skills and provide riders with the opportunity to compete in a progressive and structured environment. Video competitions are a fantastic way to ensure that all riders across Canada, no matter how isolated, have the chance to compete. Competition is an integral part of athlete development and provides riders with new goals as well as a sense of empowerment and accomplishment.

To participate, riders simply have themselves recorded performing a specific dressage test and upload it to the secure Equestrian Canada server, along with an online registration form and the appropriate entry fees.

Riders do not need to be classified in order to compete and the classes are open to riders with physical and intellectual impairments.

The results and video entries of each competition will be posted on the Equestrian Canada website at: <https://www.equestrian.ca/sport/para-equestrian/programs>. Prizes will be awarded to competitors who finish in the top three places in their class for each competition. Each competitor will receive a copy of the judge's scores and comments for their test.

Riders are encouraged to compete at the highest level of their current riding ability allowing them to develop effective riding skills to progress to structured levels of competition.

The cost is \$40.00 per class.

Who is eligible to enter video competitions?

All riders with a physical and/or intellectual impairment are welcome to compete in the video competitions.

Do riders need specific tack or show attire to compete?

English tack must be used as well as any adaptive equipment that is required. Tack must be safe and comfortable for both horse and rider. The rider must not be attached to the horse or saddle in any way that is deemed unsafe, as per the Rule of Equestrian Canada, under Section E (Dressage rules). Rules are available online at <https://www.equestrian.ca/sport/para-equestrian/programs>.

High Point Championships

A rider who has entered a minimum of three competitions in a yearly series is eligible for High Point Champion. Points will be awarded based on the finish position in their division. At the end of the year points will be added up and the top point getter will be acknowledged with a prize and/or trophy.

Points will be awarded as follows: 1st – 15; 2nd - 13; 3rd – 11; 4th – 9; 5th – 7; 6th – 5; 7th – 3; 8th – 1

SECTION 2: PARA-EQUESTRIAN VIDEO COMPETITION RULES

Rules of the individual riding centre still apply, except where the following are concerned:

- All Therapeutic Riding Association centres are encouraged to adhere to CanTRA Insurance guidelines as per the CanTRA Risk Management Evaluation, which can be found on the CanTRA website at www.cantra.ca.
- Competitors must have a current Equestrian Canada and PE affiliate to enter the para-dressage video competition. If the rider does not already have an Equestrian Canada sport licence or Provincial membership they will be required to purchase an Equestrian Canada sport licence (cost depends on level purchased) or registered participant (\$15.00) in addition to the para-equestrian affiliate (\$20.00). These can be renewed or purchased online through the Equestrian Canada website: <https://www.equestrian.ca/programs-services/licences>
- At all times, persons mounted on a horse must wear approved protective headgear by an accredited organization as described below:
 - ASTM (American Society for Testing Materials)
 - SEI (Safety Equipment Institute, Inc.)
 - BSI/BS EN (British Standards Institution)
 - EN (European Union Standards)
 - AS/NZS (Australian/New Zealand Standards)

Headgear must be properly fitted and securely fastened by a safety harness permanently affixed to the helmet. Failure to follow this rule will result in immediate disqualification from the competition.

- Closed heel and toe footwear with a minimum 1” heel is recommended. If a rider’s impairment prevents them from wearing footwear with a heel, the saddle must be equipped with Devonshire boots. Riders should avoid wearing loose jackets that do not show the judge(s) their position.
- Riders are encouraged to compete at their highest level of capability. Riders may only compete in one class within their development level. For example, a rider at the Introduction/Beginner level can only compete at one of the following Classes: 1, 2, OR 3.
Please note the exception, riders in the Gold Level Para-Dressage classes and International Para-Dressage classes may compete in more than one class within their classified Grade. For example, a Grade II rider may compete at class 11, 12, AND 13
Please see section 7 for a full list of levels and their respective classes.
- “Leaders” must lead from midway between horse’s shoulder and head, using their outside hand to hold the lead rope at their outside hip with their inside hand flat at their side or across their belly. This indicates to the judge that the leader is not influencing the horse and will only assist in an emergency.
- Horses may be shared between riders.
- Warm-up
 - Class #1 - #10 there are no restrictions on coaches schooling/warming up horses in classes. Safety is the primary consideration.
 - Class #11 - #16 - Grade IV and V riders must warm up their own horse.

- English tack must be used as well as any adaptive equipment that is required.

In all classes, tack must be safe and comfortable for both horse and rider. The rider must not be attached to the horse or saddle in any way that is deemed unsafe, as per FEI Para-Equestrian rules. (Rules are available online at <https://www.equestrian.ca/programs-services/rules>.) Any type of saddle or surcingle which is appropriate for the needs of the rider may be used.

- Classes should be recorded in an enclosed arena or ring with a minimum size of 18m x 36m (59 feet X 118 feet) and a maximum size of 20m x 40m (66 feet X 131 feet). If your arena is larger, please mark off an area of this size so that video results are similar. EXCEPTION: FEI Individual (2017) Team, Individual and Freestyle Grade IV and Grade V may also be performed in a 20m x 60m (66 feet x 197 feet) arena.
- The camera must be placed at “C” (far end of ring/arena), approximately 5 m (16.5 feet) back and between 1.5m-2.5m (5 feet-8 feet) high. If the zoom feature is used the horse may be no larger than ¼ of the screen. The recording should start approximately 5 seconds before the class or individual rider enters the arena. In an indoor arena, the rider may already be in the arena, and the recording will start 5 seconds before judging of the class begins. The recording should finish approximately 5 seconds after the class ends or after the final salute at the end of the test.
 - Always film with your back to the sun
 - Make sure you keep the camera steady and try and keep the horse in the centre of the frame
 - Try not to film when there is a sharp contrast in light and dark areas in the arena
 - Use the highest quality setting on your camera
 - Set the zoom before you start and do not alter it once you have started filming
 - Make sure the light setting is correct for the time of day you are filming at
 - Stand at C either with your back to C or behind C facing A and do not move from that spot
 - Make sure you video from the start of the test as they turn onto the centre line and keep videoing until after the final halt so we can see some walk work as they leave the arena. (Just half a dozen steps or so)
- Make sure that a well-lighted ring/arena is used and the “Leaders” and “Side Walkers” are not blocking the view of the rider.
- Competitors entering the FEI freestyle to music classes, must ensure that the sound on the video recording device is switched on and that the music can be clearly heard in the video.
- Competitors must submit their video online. Videos may be submitted through the secure Equestrian Canada server providing a YouTube link.
- The name of the video file should include the rider’s last name, horse name and class number(s) entered.
- Videos may include more than one class providing they adhere to the following restrictions: a) must have a 5 second pause between classes, b) clearly marked with the class number, date, the rider and horse.
