

2018 NORTH AMERICAN JUNIOR, CHILDREN AND YOUNG RIDER CHAMPIONSHIPS CRITERIA

The North American Junior, Children and Young Rider Championships (NAJChYRC) is an international event held annually for individuals between the ages of twelve and twenty-one. Teams are invited from Canada, the twelve Zones in the United States, Mexico and the Caribbean to compete for team and individual medals. The 2018 edition will be held at **Old Salem Farm** in North Salem, New York from **August 1st through to August 5th**.

The Championships are designed to mirror the competition format used at the Olympic and Pan American Games. The objective of the national and international Federations is to introduce and prepare competitors for international competitions and FEI rules. In addition, the Championships offer riders the opportunity and experience of competing as a member of a team.

1. General

- 1.1 The EC/JC Jumping Talent ID Committee reserves the right to send more than one Team for either division, should the number of applications warrant and as long as all individuals on the Team are qualified to attend based on the set criteria.
- 1.2 Each North American Young Rider Championships (NAYRC) Team will consist of four members and an alternate. The alternate may compete in the Championship as an Individual. The championship features both a Team and an Individual competition. Maximum fence heights will be 1.50m (4'11") with proportional spread between 1.50m and 1.80m (4'11" to 5'9") per FEI Jumping Rules Annex IX.
- 1.3 Each North American Junior Championship (NAJC) Team will consist of four members and an alternate. The alternate may compete in the Championship as an Individual. The championship features both a Team and an Individual competition. Maximum fence heights will be 1.40m (4'7") with proportional spread between 1.40m to 1.70m (4'7" to 5'6").
- 1.4 Each North American Children's Jumper Championships (NACJC) Team will consist of four members and an alternate. The alternate may compete in the Championship as an Individual. The championship features both a Team and an Individual competition. Maximum fence heights will be 1.25m (4'2") with proportional spread between 1.00m and 1.30m (3'3" to 4'3") per FEI Jumping Rules Annex XII Chapter IV Article 23.

2. Selection Committees

- 2.1 The selection decision shall be made by Equestrian Canada (EC) and the Jumping Committee (JC) Talent ID Committee (the Selectors).
- 2.2 The Selectors have the right to remove a horse/rider combination from consideration for selection or from a division Team, if in their discretion such action is warranted, as a result of contravening the Equestrian Canada Code of Conduct (which must be signed by all candidates).
- 2.3 The Selectors will select the final Horse/Rider combinations for the various Junior, Children's and Young Rider Teams in the exercise of their sole discretion.
 - 2.3.1 To qualify as a candidate for selection, an application form must be submitted by the candidate or an adult representative by **Monday April 30th, 2018** - see *Appendix 2*.
 - 2.3.2 In addition, to qualify as a candidate for selection a Certificate of Capability must be completed and signed by the appropriate official, and submitted on or before **Monday June 25th, 2018** - see *Appendix 5*.
- 2.4 Horse/Rider combinations for the Junior, Children's and Young Rider Teams will be named by the Definite Entry deadline. Any required changes to the individuals on a Team and alternate will be allowed provided the particular combination to be substituted was named in the nominated entries.

All and any “jogs” will be announced in advance and will be run under FEI drug rules.
- 4.2 Candidates shall present for the jog at the Championships a sound horse that is well groomed and in a bridle.
- 4.3 Candidates when presenting their horse for the jog at the Championships, shall be properly attired (boots and breeches).
- 4.4 The Selectors reserve the right to eliminate from consideration for selection any declared horse it believes will not successfully pass the NAJChYRC veterinary inspection.
- 4.5 Also required to be completed is the FEI Medications and Jog Compliance form, see *Appendix 7*.

The NAJChYRC is a drug free competition. During the NAJChYRC, FEI rules will be in effect, and all horses shall be subject to drug testing. Blood and/or urine samples may be collected at any time. Samples will be tested for the presence of all forbidden and/or controlled substances using FEI guidelines. If any substance is detected for which the FEI has established quantitative restrictions, the amount of this substance will be quantified. At the NAJChYRC any horse testing above the current FEI limits for any FEI prohibited and/or quantitative substance shall be eliminated from the competition.

In accordance with Sport Canada regulations for athletes representing their province or country at international events, all riders may be subjected to announced and unannounced drug testing according to the Canadian Centre for Ethics in Sport (CCES) and Equestrian Canada Rules and Policies.
