

<b>PURPOSE</b>	To confirm that the horse demonstrates correct basics, and has developed sufficient throughness, suppleness, balance, and impulsion to perform with ease the exercises at this medium level of difficulty. The horse has established consistent self-carriage and lightness through improved connection, engagement, and collection. The movements and transitions are performed with greater straightness, impulsion, and cadence.
<b>INTRODUCE</b>	Tempi changes every third stride; half working pirouettes in canter

All trot work must be done sitting.
