

# 2017 NORTH AMERICAN CHILDREN'S JUMPER CHAMPIONSHIPS CRITERIA

The North American Children's Jumper Championships (NACJC) is a new international event that will be held annually. Teams are invited from Canada, the twelve Zones in the United States, Mexico and the Caribbean to compete for team and individual medals.

The Championships will be held in conjunction with the North American Junior and Young Rider Championships (NAJYRC) and designed to mirror the competition format used at the Olympic and Pan American Games. The objective of the national and international Federations is to introduce and prepare competitors for international competitions and FEI rules. In addition, the Championships offer riders the opportunity and experience of competing as a member of a team.

## 1. General

- 1.1 The EC/JC Jumping Talent ID Committee reserves the right to send more than one Team, should the number of applications warrant and as long as all individuals on the Team are qualified to attend based on this criteria.
- 1.2 Each North American Children's Jumper Championships (NACJC) Team will consist of four members and an alternate. The alternate may compete in the Championship as an Individual. The championship features both a Team and an Individual competition. Maximum fence heights will be 1.25m (4'2") with proportional spread between 1.00m and 1.30m (3'3" to 4'3") per FEI Jumping Rules Annex XII Chapter IV Article 23.

## 2. Selection Committees

- 2.1 The selection decision shall be made by Equestrian Canada (EC) and the Jumping Committee (JC) Talent ID Committee (the Selectors).
- 2.2 The Selectors have the right to remove a horse/rider combination from consideration for selection or from a division Team, if in their discretion such action is warranted, as a result of contravening the Equestrian Canada Code of Conduct (which must be signed by all candidates).

- 2.3 The Selectors will select the final Horse/Rider combinations for the various Children's Jumper Teams in the exercise of their sole discretion.
- 2.3.1 To qualify as a candidate for selection, an application form must be submitted by the candidate or an adult representative by **Tuesday, May 2<sup>nd</sup>, 2017** to Equestrian Canada, Crystal Labelle - Program Coordinator, Jumping [clabelle@equestrian.ca](mailto:clabelle@equestrian.ca), - see Appendix 1.
- 2.3.2 In addition, to qualify as a candidate for selection a Certificate of Capability must be completed and signed by the appropriate official, and submitted on or before **Sunday, June 18<sup>th</sup>, 2017**. - see Appendix 2.
- 2.5 Horse/Rider combinations for the Children's Jumper Teams will be named by the Definite Entry deadline. Any required changes to the individuals on a Team and alternate will be allowed provided the particular combination to be substituted was named in the nominated entries.

### 3. Eligibility

- 3.1 To declare to be a candidate for selection to a Team is possible to all riders who are Provincial residents and Canadian citizens or have Landed Immigrant status and that are members in good standing of EC.
- 3.2 The Province of each horse/rider combination is determined by the rider's record with EC.
- 3.3 Riders, once selected by the Selectors, must comply with all policies and rules of EC to remain eligible to represent EC at the NACJC Competition.
- 3.4 The athlete and horse must be registered and in good standing with the PHJA, PSO, EC, and FEI prior to being named to the nominated entries.
- 3.5 Horses must be eligible under FEI Rules, and have, a current FEI passport and FEI Registration.
- 3.6 A horse must be a minimum of seven (7) years old.
- 3.7 The NACJC is open only to Children (ages 12-14) as defined by FEI General Regulations Annex XII; Chapter III; Article 6. Riders must have been born on or between January 1, 2005 and December 31, 2003.

### 4. Equine and Human Doping Control

- 4.1 Should the soundness of a selected horse come into question prior to departure for the Championships, the horse may be required to be jogged for soundness in front of an individual designated by the Selectors. All and any "jogs" will be announced in advance and will be run under FEI drug rules.

- 4.2 Candidates shall present for the jog at the Championships a sound horse that is well groomed and in a bridle.
- 4.3 Candidates when presenting their horse for the jog at the Championships, shall be properly attired (boots and breeches).
- 4.4 The Selectors reserve the right to eliminate from consideration for selection any declared horse it believes will not successfully pass the NACJC veterinary inspection.
- 4.5 Also required to be completed is the FEI Medications and Jog Compliance form, see Appendix 3.

The NACJC is a drug free competition. During the NACJC, FEI rules will be in effect, and all horses shall be subject to drug testing. Blood and/or urine samples may be collected at any time. Samples will be tested for the presence of all forbidden and/or controlled substances using FEI guidelines. If any substance is detected for which the FEI has established quantitative restrictions, the amount of this substance will be quantified. At the NACJC any horse testing above the current FEI limits for any FEI prohibited and/or quantitative substance shall be eliminated from the competition.

In accordance with Sport Canada regulations for athletes representing their province or country at international events, all riders may be subjected to announced and unannounced drug testing according to the Canadian Centre for Ethics in Sport (CCES) and Equestrian Canada Rules and Policies.

## 5. Expenses

- 5.1 Each rider selected for the 2017 NACJC Team will be responsible and invoiced through EC for the following expenses:
  - Entry and Stabling Fees
  - Tack stalls (cost for team tack stalls will be split, individual tack stalls will be charged in full to the riders that requested the individual tack stalls)

Historically the expenses for the above costs have amounted to \$1,000 - \$1,500 per competitor.

- 5.2 Competitors are responsible for personal and groom expenses, salaries, hotel and transportation costs. In addition, cost of shipping your horse(s) to the Championships. This includes any documents, vaccinations, border crossing/related fees.
- 5.3 EC/JC has a Young Rider Travel Assistance Program available. Please visit the website <https://www.equestrian.ca/sport/jumping/programs> for further details. You should also contact your PHJA/PSO for possible additional funding.

## **6. General Information**

- 6.1 A Parent and/or guardian is required to attend the NACJC with the Rider as the Rider is a minor (under 19 years).
